

TEXAS 2100 seeks Board of Directors Candidates

Texas 2100 is a non-profit membership association composed of people committed to the attainment of Texas independence by the year 2100. The Association works through its members and partnering organizations to promote a process whereby the Government of the State of Texas seeks a political agreement reversing the Annexation of Texas by the United States; creating a bi-lateral framework and agreements necessary for the separation of political and economic relations under the existing federal system; and, developing international relations and treaties whereby Texas functions as a sovereign state recognized by the world member states.

Texas 2100 is divided into seven regions. We are seeking Board members from each region and 2 at-large members.

The Board of Directors (Board) supports the overall work of Texas 2100 (the "Association"). It provides overall mission leadership, direction, governance, and strategic insight. Day-to-day operations are led by the Executive Director (Chairman) and other management staff under the Board's supervision. The Board serves as a critical link to the community, donors, and other key stakeholders of the Association.

Qualifications

This is an extraordinary opportunity for the right person to illustrate their personal and professional skills in leading a world-class organization. Members are sought for their skills, integrity, and reputation in the Community.

Specific qualifications include:

- Extensive professional experience in business, government, education, or non-profit management
- A deep understanding of the Association's goals, objectives, and donor-base
- Savvy diplomatic skills and a natural affinity to cultivating relationships and building consensus
- Strong organization, communication, and financial skills

Other

This is a volunteer, non-paid position. You will be expected to attend quarterly board meetings either in person or by phone. Presently, all meeting will be held in Houston, Texas unless otherwise determined.

TEXAS 2100 is an equal opportunity employer. We do not discriminate against any existing or potential employees on the basis of race, gender, gender-identity, religion or religious beliefs, age, political affiliation, or any other basis in fact or law.
